

Position Vacant

Vacancy ID: **TRAINEE CONVEYOR TECHNICIAN (2016023)**

VLI is an OEM and market leader in the supply of specialised equipment and allied services used in mining and bulk material handling industries globally. We are recognised as one of Australia's premier manufacturer, service provider, and major belting distributor for specialised conveyor and underground mining components. We have a well-established and integrated presence across the conveyors industry, providing the group with a uniquely broad product and service offering.

Our Kalgoorlie Branch is currently seeking a trainee Conveyor Technician to undertake a traineeship (Certificate IV Polymer – Belt Splicing), to learn how to undertake general conveyor belt installations and repairs. Based in the workshop for the first 12 months, this permanent position will provide you with training and experience to enable you to complete work involving conveyor belt installations, conveyor belt splicing, conveyor belt maintenance and repairs and troubleshooting of damage and faults.

This starting Normal hourly rate for this role is \$22.49 per hour.

To be considered for this role, you will:

- Possess a strong commitment to WH&S in the workplace
- Have a desire to progress to qualified Conveyor Technician
- Forklift licence (preferred but not essential)
- "C" class drivers licence
- Willingness to learn and follow instruction
- Team Player
- Ability to be able to get to work on time and demonstrate reliability
- Willingness to participate in a pre-placement medical (including ongoing drug & alcohol testing)
- Successfully complete National Police Clearance Check

To Apply: If you are interested in applying for this role, please email your resume addressing how you meet the selection criteria, to: careers@vli.com.au and quote reference number: **2016023**.

Your application should highlight your experience in a similar role, and any achievements you believe are relevant to applying for this role.

For further information, please contact Catherine Williams, 02 4964 2324.
