

Position Vacant

Vacancy ID: SPARE PARTS INTERPRETER (2017007)

VLI is an OEM and market leader in the supply of specialised equipment and allied services used in mining and bulk material handling industries globally. We are recognised as one of Australia's premier manufacturer, service provider, and major belting distributor for specialised conveyor and underground mining components.

Our Diesel business unit is currently seeking an experienced Spare Parts Interpreter, for a 12 month fixed term maternity relief contract, based at our Emerald Branch. This role will involve processing incoming parts requests for quotation and supply to clients and will provide assistance with the procurement of spare parts when required.

To be considered for this role you will have:

- Ability to commit to a 12 month fixed term contract
- Have previous experience in a similar role within a Mining or Heavy Manufacturing environment
- Strong SAP experience
- Experience in Microsoft Office Suite
- Strong communication and negotiation skills
- Excellent attention to detail
- Good time management, planning and organisational skills

To Apply: If you are interested in this position, please submit your resume and application addressing the selection criteria, quoting reference number: **2017007** to: **careers@vli.com.au**
