

Position Vacant

Vacancy ID: FITTER

VLI is an OEM and market leader in the supply of specialised equipment and allied services used in mining and bulk material handling industries globally. We are recognised as one of Australia's premier manufacturer, service provider, and major belting distributor for specialised conveyor and underground mining components.

Our Kalgoorlie Branch is currently seeking an experienced Fitter with Leading Hand experience, to complete conveyor pulley removal and installation. This role will also involve completing pulley bearing replacements, belt cleaner installations and servicing, impact bed installations and servicing, idler replacements, carry out rubber lining and ceramic lining relines. The successful candidate must have experience in carrying out inspections of conveyors systems and have the ability to act as the Supervisor when required.

To be considered for this permanent position, you will ideally have:

- Be Fitter trade qualified with welding qualifications
- Have previous experience in a similar role
- Have a Certificate IV in Polymer Technology
- Strong attention to detail
- Be able to successfully complete a pre-employment medical
- Possess a proactive commitment to their own, and their colleagues, Health and Safety in the Workplace
- Confined Space Ticket
- High Risk Licence for: Rigger, EWP
- HR licence
- Apply First Aid
- Working at Heights Certification
